

Strengthen my Soul

1. Strengthen my soul!

When I'm drinking tears / and my fears / grow like mountains in front of me.

Strengthen my soul!

When I'm haunted in dreams / and it seems / there's no way that I can get free.

Strengthen my soul

when the night is dark.

Strengthen my soul

when I fall apart.

Strengthen my soul

when the devil's smart.

O my God

give a way

to my breath and my life

and show:

Strengthen my soul. (3x)

2. Strengthen my soul!

When I'm weary and anxious / and lonely / when time will run out for me.

Strengthen my soul!

Iron bars are my stars / and the walls / are my heart and I miss the key.

Strengthen my soul

in the morning-sun.

Strengthen my soul

when the day is done.

Strengthen my soul

when the shadows come.

O my God

give a way

to my breath and my life

and show:

Strengthen my soul. (3x)
